**BWP BATS, LLC IS A TRULY UNIQUE WOODEN BAT MANUFACTURER. OUR LOCATION, STATE OF THE ART MANUFACTURING PROCESSES, AND STRICT ATTENTION TO DETAIL ENABLES US TO PROVIDE THE HIGHEST QUALITY OF BATS AVAILABLE TO THE MARKETPLACE.**

BWP Bats, LLC is located in the heartland of Pennsylvania, which is known as the hardwood capital of the world. Only the finest hardwood trees are processed into bats. Billets that do not meet these criteria are manufactured into other commercial products, such as furniture, flooring and other interior products. As you can see, only the highest quality wood ends up in your customers' hands at the plate. No third grade wood is sold to our customers.
